NOTICE TO RESPONDANT
NOTICE TO PRINCIPAL IS NOTICE TO AGENT
NOTICE TO AGENT IS NOTICE TO PRINCIPAL

Dear Sirs/Mesdames,

This notice is to give context to the succeeding notices, where conflicting matters of law, will be resolved on the basis of the intent, rather than the form.

On the Seventh day of February 2001, a quorum of hereditary peers served a petition to our late Queen in accord with the security clause of *Magna Carta Libertatum 1215*, that led to the invocation of said clause on the Twenty-third Day of March 2001, removing all lawful authority from the public office of Sovereign, until such time remedy is achieved, this includes any, and all use or the regal power, and removes legitimacy from all organs of the Monarchs governance of the United Kingdom of Great Britain and Northern Ireland.

It is, and has been reported, to the de facto law enforcement channels within the United Kingdom of Great Britain and Northern Ireland, that *S.38 European Union (Withdrawal Agreement) Act 2020*, is an act of High Treason against our late and beloved Queen, Elizabeth II, and her loyal Subjects, and further to this, an Act of Sedition against the constitution of the United Kingdom of Great Britain and Northern Ireland, all of which are considered as very serious, criminal matters.

These matters have been reported to all territorial Police Constabularies, throughout the United Kingdom of Great Britain and Northern Ireland, all whom have failed to investigate and uphold the law in these matters, while Westminster Magistrates Court have rejected two Private Criminal Prosecutions, regarding these very serious, and evidenced allegations.

Further to this, the matter has been reported to the Lord Chief Justice, and the Kings Bench Division of the High Court, by way of a petition seeking the utterance of a writ of mandamus, to compel the constabularies, and lower courts to uphold the law in matters that threaten the peace, and the security of the nation as a whole.

Our noble new King is prohibited from acting in this matter, by the *Claim of Right Act 1689*, until such time that he has sworn the coronation oath, in accord with the *Coronation Oath Act 1688*, and until such time full remedy is achieved in regards to the de jure invocation of the security clause of *Magna Carta Libertatum 1215*.

As a consequence of the failure of the statutory system to uphold the law, or investigate these serious, and evidenced Criminal allegations, that are an existential threat to the United Kingdom of Great Britain and Northern Ireland, the happiness, the religion, and the Liberties of the Kings subjects, this cannot, and will not be overlooked.

We the people of the United Kingdom of Great Britain and Northern Ireland are thereby compelled to reinstate the rule of law, and the principal of equality before the law, and preserve the throne of our noble new King Charles III, by convening our own courts of law, as permitted under international law, and in accord with the customs, and the traditions of the peoples of the United Kingdom of Great Britain and Northern Ireland.

On the Fourteenth Day of October 2022, a Grand Jury of good men, and women was convened in Newcastle upon Tyne, in a full and public hearing, to consider a One Hundred- and Forty-seven-page (147), Bill for Indictments, that was subsequentially returned by unanimous verdict *Bella Vera*, and two indictments were authorised, as a consequence of said verdict.

The principal mode of proceedings will be by way of paper, in event of notification within Seven (7) days of service via email, that you require a formal hearing in *propia persona*, this facility will be arranged at a location in Newcastle.

In accord with the dictum of the then Lord Chief Justice of England, Lord Hewart in *R v. Sussex Justices, [1924] 1 KB 256*, "Justice must not only be done, but must also be seen to be done", a full and public record of all proceedings in these matters will be recorded in the public domain at:

Alfredslaw.co.uk

At this time the full 'Bill for Indictments', presented to the Grand Jury, is available, in event you require paper service of a copy of this document, endorsed by the prosecuting common law lawyer, this is available upon request, and subject to a nominal administration charge of £20.

Further to this the 'Authorised Indictments', are also available, as authorised by the Grand Jury convened in Newcastle Upon Tyne on the Fourteenth day of October 2022, and in event you require paper service of a copy of this document, this is available upon request, and subject to a nominal administration charge of £10.

12. Material evidence, not merely hearsay or professional opinion, that swearing an oath of allegiance, or making an affirmation of allegiance to the reigning Monarch, does not establish a debt of loyalty, to the reigning Monarch, by those whom have made such undertaking, notwithstanding the valid, or invalid status of the oath sworn by our late and beloved Queen Elizabeth II.
13. Material evidence, not merely hearsay or professional opinion, that you made neither an oath, or affirmation of allegiance, to our late and beloved Queen Elizabeth II, subsequent to the General Election in the United Kingdom of Great Britain and Northern Ireland on the 12th December 2019.
